

# BenchmarkPro Performance Audit

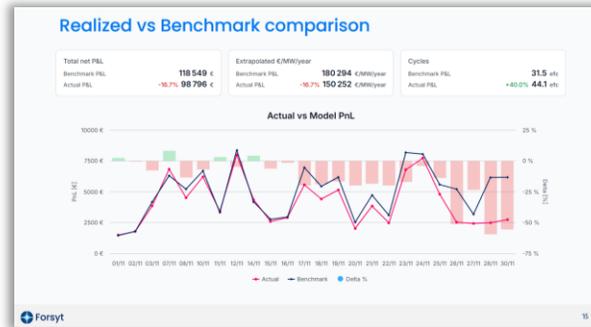

A 3-month BESS performance assessment, built on our market-replay dispatch model

## BESS Market-Replay Benchmark

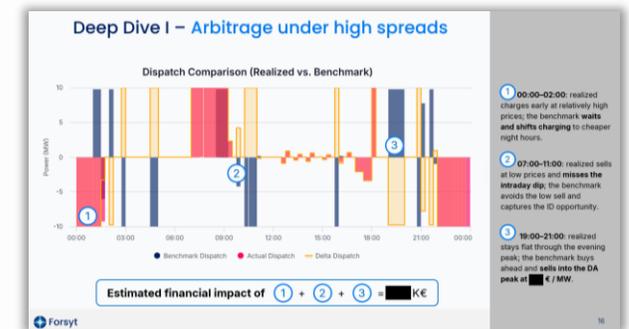

We configure our market-replay digital twin to your asset: constraints, efficiencies, tariffs, market access... and run a 3-month trading replay to produce an asset-specific, fully representative benchmark.

## Realized vs Benchmark

A detailed comparison of your actual BESS market results vs the BenchmarkPro baseline. Covers revenue stack and PnL, cycling & opportunity capture, quantifying the gap in € and %.

## 3 Decision Deep-Dives

Three deep dives into the decision points that drive performance. Selected market episodes that explain what happened, why it happened, and what would change the outcome.

Includes a **Customized Action Plan** with concrete recommendations to improve financial performance & track progress over time

All the data & analysis in Excel format
